

# Bruder

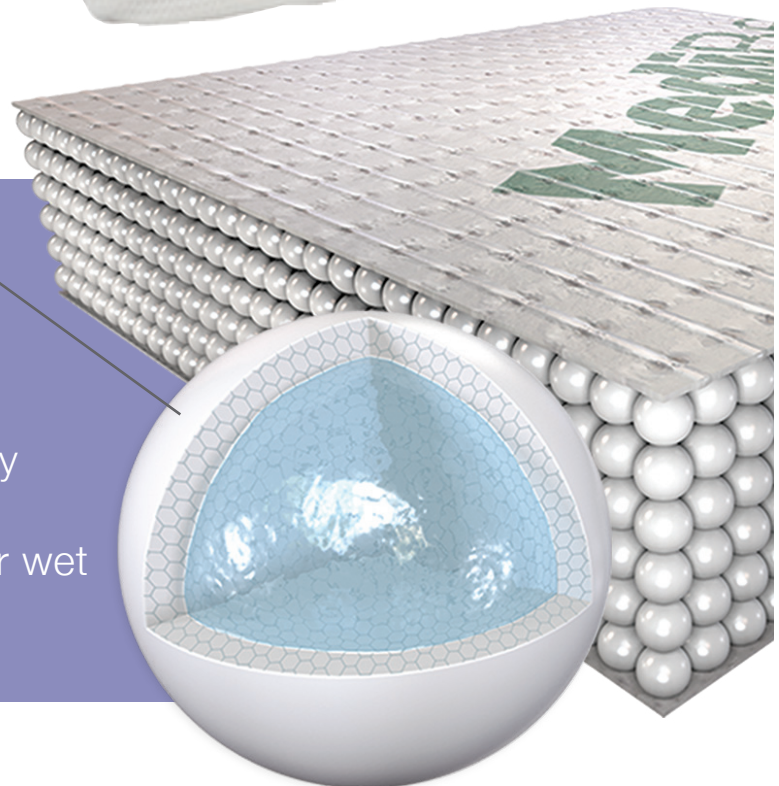

Better. By Design.

Only the Bruder Moist Heat Eye Compress is created using patented MediBeads®

## Benefits of MediBeads® Patented Technology:

- Provides even uniform, moist heat
- Naturally retains moisture and evenly releases heat
- Doesn't breakdown when handled or wet
- Non-toxic and antibacterial

# Bruder

Better. By Design.

For daily  
eyelid warming

An important step in the  
treatment of chronic Dry  
Eye, MGD and Blepharitis

### Simple and easy for patients to use:

- Microwave for 20 seconds
- Apply over eyes for 10-20 minutes.
- The natural moist heat begins to warm the eyelids and soften the meibum in the Meibomian Glands
- Massage and clean the eyelids
